About Creative Placement Services

Creative Placement Services, LLC (CPS) is a nationwide, **woman-owned** full service temporary/contract and direct staffing firm specializing in technical, scientific, medical, engineering, software, hardware, and IT. We offer you the highest level of professionalism and dedication to fulfill your needs. Creating individualized solutions for both clients and employees is how Creative Placements delivers superior results.

CPS provides top candidates by recruiting the most qualified professionals for your company who do not have time to search for new opportunities. The personal relationships we develop with our clients and contractors makes all the difference in everyone's success. CPS saves you time, effort and money by locating and *pre-qualifying* each individual thoroughly prior to submission of resume.

CPS is dedicated to excellence. With many successful years working in the recruiting industry, CPS has overcome many challenges. We demonstrate the fruits of this experience every day in the superior performance of our talent. CPS never stops searching for new ideas to help service our clients to save money.
